

## Faux Bamboo

### MANUFACTURERS 1 YEAR LIMITED WARRANTY

Faux Bamboo holds a warranty of one (1) year from the date of shipping. Faux Bamboo should last between 5 to 7 years depending on the environment in which it is installed.

Faux Bamboo is not guaranteed nor warranted if:

- It is missed used, deliberately damaged, or installed in a place that promotes abrasive contact.
- It is damaged by gases or chemicals in the air - proof of this might be dots with some acidic value that eat away the paint, or more, on the PVC pipe.
- It is subjected to excessive heat or cold - too close to an air handler, heater, air conditioner, harsh lighting that might cause a hot spot, tree sap that might eat away the finish, or other mechanism that might damage the Faux Bamboo and/or its finish.
- It is too close to plants or trees whose movement will cause handling damage to the finish - rub off the paint from constant touching or swiping of leaves / branches.
- It is the recipient of Acts of God – hurricanes, heavy gusts of wind, earthquakes, tornadoes and the like.
- It is handled excessively, or bumped against hard surfaces or sharp corners, causing white areas where the paint has been removed.
- It is painted, finished, or any outer application is applied without amaZulu's express consent either written and mailed, or emailed to you.
